

SIZE CHART

Order the correct size by referring to the body measurement chart below.
Measurements shown on size chart are body measurements.
Find your body measurements on the chart to determine which size to order.

HOW TO MEASURE:

BUST/CHEST: Measure around upper body over the fullest part under your arms.

WAIST: Measure around waistline all around.

HIP: Measure the fullest part of hips and rear.

INSEAM: With feet hip width apart, measure vertically from top of inside leg to ankle bone.
